## **From the East**

**Brethren,**

***This is my first message from the East and, first and foremost, I want to wish each of you and your families, health and happiness at this wonderful holiday season, and throughout the coming year.***

***In particular, I want to thank Past Master Bruce Johnsen and his officer suite for an excellent year. And, to the Brethren who make up the officer suite for 2015, thank you in advance for your help and support.***

***I must also thank you, my Brothers, for doing me the honor of allowing me to sit in the Master's chair for this coming year. It is an honor and scary as heck.***

***Speaking of the coming year, we have set some lofty goals and expectations for that short period of time. We hope to do as well as last year and maybe even a bit more, however, much of this will depend upon you, the Craft.***

***We already have some projects in the works like the Bikes for Books program, Open House(s), Yard Sales, Community event participation, St. Johns Sunday, Veterans Day, a Classic Car Show, and Bentleys Masonic Youth Charities Motorcycle Run, just to mention a few. These projects, if done as well as we can do them, will increase our visibility in the community and let people know who we are and the good things we do. Not to mention they could just be a little fun.***

***We are also setting some goals for our future. We are going to bring in 12 (that's right 12) new members. No, we haven't identified them yet but they are out there waiting and we need to help them take that first step. To assist in this we are going to have at least one real fellowship night.***

***An equally important goal is to reconnect with our Brothers particularly those who haven't been to the lodge in some time. If you are one of these, don't be surprised to hear from us or maybe even find of us on your door step, just to say hi, how are you doing and we would like to see you again.***

***I intend to streamline our stated meetings as much as possible to allow us a few minutes each time for a presentation. It might be educational, informational or maybe just fun but in any case I hope it will be worthwhile enough to entice you to attend. I could use some help with these so if you have some good topics or speakers in mind give me a call.***

***Please note that we have established an email address for the Master. It will remain the same and pass from master to master. It is – [Master.York22@gmail.com](mailto:Master.York22@gmail.com) Please feel free to contact me and future Masters there..***

***Best wishes and remember "Live your life with Love and Care, on the Level and by the Square"***

***Fraternally,  
Wor Dan Fink***

***Be at War with your Vices, at Peace with your Neighbors,  
and let every New -Year find you a better Man.***

***-- Benjamin Franklin --***

### From the Secretary's Desk

*This is the first Trestleboard of a new year and an opportunity to make changes. Change for the sake of change isn't what I am talking about but if change gives a change to improve what we are doing, or motivates us, we should embrace it. I haven't shared Lodge membership numbers with you and as the keeper of records, I want to start the year by doing just that. These numbers are the numbers I am placing in the blue boxes below and that are updated each month. To say the least I am concerned about the level our membership has declined to and think if we all recognize the situation and work together to turn them around, our Lodge will be in a better position to perpetuate itself. We are beginning the year with 118 members, of which 18 are 50 year members or affiliated. We are reinstating 3 at this writing, which will bring us to 121. I also assume we will have 3 or 4 more reinstated Brothers this month (January) to bring that number up to around 125. But we need more members who will take an active role in our Lodge, filling the chairs and assisting at events. And adding new members is the job of us all. Our new Master has set a goal of 12 new Brothers for this year. If a percentage of those brothers live locally and can participate in our activities, it will strengthen our Lodge for the future. So, please help us turn our membership numbers around. IF each of us presented one application for membership this year, it will truly be a Happy New Year! Thank you for reading this.*
