From the East

Greetings from the East,

I would like to thank the members of York Lodge for electing me to serve as Master of the lodge for 2018. It is truly an honor.

I would also like to express my sincere thanks to the officers of 2017, particularly Wor Mike Hludik. Mike stepped in several months early in difficult circumstances and did an excellent job.

We have a busy year ahead. We have four Fellowcrafts who are working hard for their Master Mason Degrees and our new officer line will be preparing starting right away. And speaking of the MM degree we need at least six brothers to do the additional parts in the second. In addition to doing the degrees they will also need to attend rehearsals. I have felt for a long time that the second half of the MM degree needs improvement and since this is such a critical and meaningful section we should do it to the best of our ability. Our candidates deserve it.

Additionally, part of the effect of all the degrees is the managing the lighting. We need someone to volunteer to help us bring light, or at least turn them on and off at the right times.

Our schedule for the year is coming together and getting full already. We will be doing Bikes for Books, the Bentleys Youth Charities Run, a Fellowship Night, a Past Masters Night, just to name a few.

*Fraternally,
VW Dan Fink, Master*

From the West

Brethren,

Welcome to 2018 and thank you for electing me to the office of Senior Warden. I am looking forward to an enlightening year. We will be making contact with Brothers we haven't seen in sometime and also those who began their Masonic journey and for some reason have not completed it. We would like to assist them if we can to return to that path and complete it.

I look forward to seeing you all at Lodge.

**Bro Andrew Palmeri
Senior Warden**

From the South

Brethren,

Remember our January stated meeting will be on January 8th due to the New Year holiday. I am told that the entrée will be stuffed chicken breasts. Please plan to attend and also remember that the annual meeting for the York Temple Corporation will be January 15th. This is an important meeting so please attend if at all possible.

Thanks,

**Mike Hludik,
Junior Warden**

From the Secretary

I am glad to say that the Dues are still trickling in. We still have about 20 outstanding for this year and three from last year. As everyone has heard before, this is the money we use for the operation of our lodge. When the too many of our dues are late we are often pushed to scrounge for the day to day funds needed. Thanks for your understanding. We held a Fellowcraft degree and Brothers Thomas Joseph Cahoon and Ryan Sean Cleary are our newest Fellowcraft. This means we now have four Fellowcraft who would like to become Master Masons. At least one is ready now so you can expect to see these degrees being scheduled very early in 2018.

I am sorry to say farewell to our Past Master and friend Charles Robert Morin. He has in recent years been a very active member of our lodge and we will miss him in so many ways.

*Thanks,
Bro. Paul Gregoire, Secretary*

Quote of the Month

I know God will not give me anything I can't handle. I just wish that He didn't trust me so much.

- Mother Teresa

Something to Ponder

Remember not only to say the right thing in the right place, but far more difficult still, but leave unsaid the wrong thing at the tempting moment.

St. John's Lodge of Philadelphia*

From the Craft

A Thought...

We have witnessed the passing of a true friend, a true brother, and a person for whose passing the world will be less. For those of us who were blessed in personally knowing Chuck: we knew a person who not only preached and supported our fraternal values but practiced them. Whether it was in Lodge, at work, or in his personal life he was a living, functioning symbol of integrity, fairness, compassion, personal responsibility, duty, and supportiveness of his fellow brothers and community. And he did it quietly and unostentatiously, just as a matter of normal, correct behavior. He was a living example to those around him.

Regardless of how we feel, or call, or promise, or react, or protest we all have to follow the same road he did, towards the same inevitable conclusion. And there is no way through money, whining/complaints, or love can we have someone else do it for us. It is a given of life. Chuck, unfortunately over the last several years had to endure a very hard experience on this path. In this, as in other facets of his life, he was a model for us to emulate. His courage, patience, faith, and hope and determination to fight the good fight, no matter how foregone the conclusion, are an example to all of us, his brothers. For the end of the road is inevitable for us, as well.

As we continue our struggle to separate illusion from substance in our lives, Chuck leaves us a direction to follow. A path as a person, as a man, we are challenged to follow along the proverbial razor's edge. And we, in turn, pass this code along as well. As Freemasons, as brothers, as men, as people within our society, it is our duty, our responsibility.
