## The Master's Corner

*Greeting from the East.*

*As you are aware, a lodge is the men who make up its membership. It is the mix of good men who make up York Lodge, the things they do and the spirit with which they put their hands to labor that make me very proud to be part of York Lodge. I started my membership as an obligation to my father and now find myself bonded to the lodge by the brotherly love and friendships developed with my brothers. There are many demonstrations of brotherly love that are performed. For example, seeing one brother compliment another on his efforts during a rehearsal or the kindness of a younger brother checking in on an older brother who he hasn't had a relationship with outside of belonging to the same Lodge. Watching brothers greet each other with true and open warmth and gladness. Seeing brothers work together on a task and agreeing who should do what to make the work go smoothly. These and many other reasons are why I find it exciting and rewarding to be a member of our Lodge. Please think about what will increase your enjoyment in Masonry and together we will develop it into an action that will benefit both your membership and the Lodge.*

*One of the events I am asking you (and I do mean YOU) to get involved in is our Bicentennial Celebration. We have formed a committee to organize the celebration consisting of event chairmen who will report to an overall Committee Chairman who in turn will report to the Master and the Senior and Junior Wardens. Except for the overall Committee Chairman, who is Most Worshipful George Pulkkinen, the structure of the committee is title based, not person based. As this year's Master leaves office at the end of the year, the Wardens will move up and the new Junior Warden will join the team. MW George will serve for the duration of the celebration. Because we need your ideas about what we can do to celebrate this great event, we are asking you to please bring them to a meeting at the Lodge Hall on March 10<sup>th</sup> from 10AM to Noon. Ideas about events, memorabilia, and any suggestions you have need to be officially recognized in a timely manner, allowing us to organize a list of suggestions,*

*assign a chairperson for each of them and then create a budget for the entire Bicentennial. I know there have been lively discussion about things we should do but we want them presented in this format so we don't miss any of them, even those previously discussed. We want to move this process forward, so if you cannot attend the meeting, please email or call any member of the committee with your ideas by the 24<sup>th</sup> of March. Our phone numbers and email addresses are available in this Trestleboard and we will be glad to hear from you. Please understand this process is one of inclusion but with a certain amount of urgency.*

*Our Care and Share Committee is asking you to please make them aware of brothers we can assist. If you know of a distressed brother, please discreetly contact our Secretary.*

*Last but not by any means unimportant, we want to hold a Fellowship Night later this month or the first part of April, to present Masonry to good men who you think should join us. Your part in this process is to send our Secretary, Randy Burleigh, the name and address of these men so he can send them an invitation to attend our presentation. We are asking you not to contact them until after Randy has had a chance to send the invitations and he will let you know when they have been sent.*

*You are part of a busy Lodge that is looking for your participation. Not everyone wants to be an officer, but you can still contribute. Please join in and share with us. It will only make us stronger.*

*Take care,  
W. Brian Ingalls*

**MASONIC FELLOWSHIP NIGHT**  
**YORK LODGE #22 MASONIC BUILDING**  
**February 19, 2012**

Message from the Secretary:

Why isn't your son a "Brother?" We all know good men with whom we would be proud to sit in Lodge with. Wouldn't it be wonderful to share the Masonic Family with your family: your sons, sons-in-law, brother, and nephews. The Lodge would like to introduce quality men to the Craft and have them take the degrees in York Lodge #22. You can help make good men better by sharing our great Fraternity with good men.

This is a great opportunity to invite relatives, friends, neighbors, co-workers, and fellow worshipers to learn about Freemasonry. Who can become a Mason? What do Masons do? Why do Masons contribute so much to mankind? How can men become Masons? Please invite one or two non-masons:

- Complete the enclosed form and send to the Lodge Secretary:

An invitation will be sent to your guest(s) by March 12, 2012. Please call your guests between March 19<sup>th</sup> and the 23<sup>rd</sup>, 2012. Tell them what Masonry means to you and invite them to be your personal guests for the evening. Make arrangements to pick them up and bring them to the Lodge for the program... your personal contact with your guest is very important to the program's success!!!

- Please advise Randy Burleigh by March 5, 2012 on WHO will be attending, so that dinner can be prepared for everyone attending.
