## From the East

Brethren,

At the June Stated Communications we will be voted to go dark for the months of July and August. This means there will not be any stated communications during that period. We will, however, be having meetings to work on the necessary planning for the future of our lodge.

During the next two months I want us to work on and have ready to present in September, a statement of purpose for York Lodge. It doesn't have to be elaborate, but it should provide an overview of what this lodge wishes to be and do. From that basic understanding we can develop the steps we want to take to achieve that vision and when they will be done. This is a simple process but if taken seriously, requires a great deal of thought and discussion. I hope that this process, or a variation of it, will be adopted as the foundation of our annual planning cycle.

It must to be understood that this is an inclusive process. Your voice needs to be heard. No member of this lodge should be able to say they don't know what the lodge is doing or why.

Please give this idea some serious thought and come to the first planning session on Monday, June 25<sup>th</sup> at 6:00 P.M.

Fraternally,  
VW Dan Fink, Master

## From the West

Brethren,

*As always, I would like to express fraternal greetings to you all. We are nearly halfway through our Masonic year and preparing to enter darkness for the summer months. Just like last year, 2018 has shaped up to be a busy time fraternally, we have raised 4 new Master Masons, continue with our successful Youth Charity Ride, Bikes for Books presentations and monthly fellowship breakfasts. As we enter July and August please keep your tools sharpened, as the Master plans to hold some strategic planning sessions to better plan for the future. Judging by recent activity we will hope for some additional degree work to enjoy in the fall. Please keep a sharp eye out for men you feel would be a positive fit for our great fraternity. Also remember that our stated meeting this month is our Hawaiian Shirt night so dress comfortably and loudly.*

*Lastly, I would like to remind you all that we are more than just a fraternity, we are a Masonic Family, we come together as much as possible to support one another and most importantly support our laudable undertakings. I hope that those of you who join us regularly will continue to do so and that we may see some old faces as we return to light in fall.*

*I look forward to seeing you all in the future.*

**Bro Andrew Palmeri**  
Senior Warden

## Bike for Books

*The Bikes for Books program has finally made progress. The bikes were received on May 16<sup>th</sup> and we had our first build day on Sunday the 20<sup>th</sup>. Due to limited space we only built enough bikes to cover the first two school deliveries, Sea Road and M L Day. Now that these have been delivered we have the space to build the rest.*

### *Sea Road School Award Day*

*On Sunday June 3<sup>rd</sup> we completed the builds for this year. We will be delivering these on Thursday afternoon June 7<sup>th</sup> and the awards will be made on Friday June 8<sup>th</sup> at 8 A.M. Consider joining us on Friday at Kennebunk Elementary School it is a great experience.*

## Masonic Youth Charities Motorcycle Run *In Memory of Steve Michaels*

*Our youth charity run, cosponsored by Bentleys Saloon, took place on Saturday May 19<sup>th</sup>. Thanks to all who helped to manage the registration process. Even though the weather finally cooperated the threat of rain kept the rider numbers down from last year. Even so the ride was a success.*

## Something to Ponder

*Speak in such a way that others love to listen to you.  
Listen in such a way that others love to speak to you.*

**\*\* Anonymous**

*As we are getting ready to suspend our monthly business meeting for the summer, July and August, and enjoy our summer activities. We should be aware that lodge activities are still going on. You should expect to see some emails from me with up to date information on these. We still plan on the second Saturday morning breakfast at 8:00 AM. Hopefully there will be some yard sales at the lodge. Tuesday morning coffee and conversation at 9:00 AM will continue all summer. The biggest item for this summer is the West Kennebunk Family Fun Day. At the lodge we will have a food wagon selling fantastic Sausages with the condiments etc, a large Yard Sale, and an Antique car show with prizes.*

*In May we raised Will Griffin who has been very obliging and helpful with the scheduling of his degree dates. Welcome to our fraternity as our newest Master Mason.*

*Paul Gregoire*

*Secretary York Lodge #22*

## From the Craft

### **A Thought...**

***As our Masonic year ends and we go into dark; we come to a time of reflection over the past year. It has been a difficult year for many of us. A year with deep loss for some of us and difficult health issues for others. Unforeseen things happen and severely disrupt our lives. Many times we may feel very alone, as we stare into the darkness in an environment which seems to have spun out of control. Problems force us to focus on only next steps, and we have a difficult time looking to the horizon. As Tolken said in the Hobbit though: "... the road goes ever onward."***

***But we do, as Masons, have at least three things going for us. Three things to help us traverse that road and distance. Three things, we can lean on and rely on always.***

***The first of these is our God. For he is always with us, always by our side and in our corner. There is an old adage which says: "He never gives us more than we can carry." He is with us as we go to the door and through to the other side and will help us down our road.***

***Secondly, we have our code as Masons. A code which has been around for several thousand years. Graham Greene wrote in one of his novels: we need a code to live by. A code by which we can measure our behavior and most of all, then know where we are. This is what has always helped so many through the dark times. Keep them afloat in rampaging waters, and provided direction.***

***The third thing we have is our brotherhood. We are brothers. There for each other. To cover each other's back and help where we can. And if nothing else, understand. There is an old Taylor Caldwell novel called The Listener. In this novel, people would go into a room sit in a chair by a curtain and pour out their troubles to someone behind the curtain. This person never replied. The point was: someone was there to listen. This is what counted.***

***My brothers, may the road rise to meet your feet, the wind be at your back, and you be halfway to Heaven before the devil knows you are dead.***

***Bro Donald Beane,***

***Historian***
