The View from the South

Our 2nd Saturday Breakfast for September will be on the 14th.

The Kennebunk Police Chief, Robert MacKenzie, has contact us about putting on a CHIPS program for them. The Department will be hosting their 1st annual Bicycle Rodeo on Saturday September 14th from 10 am to 2 pm, at Kennebunk Elementary School.

The Bicycle Coalition of Maine will provide a safety course and skill games for riders K thru 8th grade.

The Kennebunk Bicycle Company will be doing free bicycle safety checks and helmet fittings.

The Kennebunk Police will also offer **free bicycle registration to all Kennebunk bicycle owners**. Dozens of recovered bicycles go unclaimed each year and this registration will give the officers enough information to get them back to their owners. York and Arundel Lodges will be running a CHIPS program and we need volunteers to help man the stations. We have already arranged to have two CHIPS stations on hand and we will need 6-8 volunteers to cover the two shifts - 10am to noon and noon to 2 pm. No experience or computer ability is required. To sign up (before I corner you somewhere and twist your arm) give me a call at 985-9438, or Email dan_fink@roadrunner.com or see me at the stated meeting. This is really easy and makes a great statement to our community.

Fraternally,
Dan Fink, Junior Warden

The Master's Corner

Brethren:

As I continue to look back on all the events held in celebration of our 200th year, I thank the good Lord Almighty for being blessed with your friendship and brotherly love. I am honored to be your Master during this anniversary year & humbled by all the things that you officers & members of the lodge do & do so well. Many good times have been shared & successful events have become history we can be proud of. From the first Master Mason Degree of our next hundred years to our table lodge to our car show to our Saint John's Sunday & Concert to our support in the military degree work to our ritual work in our daughter lodges to our visitations to New Hampshire Masonic districts south & our North Woods districts. It's been quite a journey & it's not over yet. I wonder what the brethren will be doing in March 2113. In between all the day to day activities we must pause & give praise to the most high God & hope in our hearts that the brothers who have recently passed to his kingdom are at peace and that they will live on in our memories as Masons. As Master, the most difficult duty for me was & still is the "Masonic Service". I struggle deeply & learn from the sacred scriptures, as well as from Masonic tradition, one of the valued lessons in masonic philosophy from our lodge elders. It doesn't get any easier no matter how many times you are behind the podium. I could have never got thru them without the care and guidance of our past grand masters, past masters & our chaplain. We have lost some very dear friends in the last few months and I as well as all of you continue to mourn for our fallen brothers. Knee to Knee; that we should ever remember a brother Master Mason in our devotions to Deity.

I want to personally thank each and every one of you for your participation in the masonic services. Many times the family members have sought me out and thanked me and wanted me to thank the brethren of York Lodge.

*Life goes on! They will all be missed...
Looking forward to seeing you all at the stated meeting on Monday the 9th. Brethren, may we always meet & part. May the blessings of Heaven rest upon us and all regular masons. May Brotherly Love prevail & every moral & social virtue cement us.*

*Sincerely and Fraternaly
Wor. Thomas Dudevoir*

200th Anniversary

There isn't a great deal to report since we have been dark but our year is far from over and we will be doing several things during the next months. We have in the works a couple of public projects. One would be to have a public supper and showing of the recording of the Concert of Masonic Composers which was given at Christ Church on St. Johns Sunday. Another is to have a Public Supper and presentation by RW Larry Vennell on the trip and work he and his wife did this year in Ireland.

Watch this space there is more to come.
