Masonic Trivia

Gordon Cooper, in his Mercury capsule, carried a Masonic Coin and a blue Masonic flag on his 22 orbit flight, which he later presented to his mother lodge.

Montana's first livestock brand was a square and compasses and is still in use today. It was registered by Poindexter Orr of Beaverhead County, MT in 1872.

When the great Obelisk of Alexandria (Cleopatra's Needle) was moved to New York in 1880, there were discovered certain emblems on the original foundation and pedestal. One is clearly a square, causing some to conclude that Masonry existed in Ancient Egypt. This issue is still open to debate.

The Master's Corner

Greetings to the brethren of York Lodge:

As my time in the east grows short, I would like to remind everyone that much work remains to be done in preparation for our upcoming Bi-Centennial Anniversary Celebration in 2013. I'm sure some brethren may be under the assumption that the work in preparation for this celebration has barely begun. I would like to emphatically state here and now that this is definitely not the case:

This task of Lodge preparation started, to the best of my recollection, in 2008 with the labors of Worshipful Richard Smith and his insightful fiscal recommendations on Lodge solvency and the sound suggestions on how to go about getting there before our anniversary. The physical work then got under way in 2009 with the labors of Worshipful Master Laurie Cohen. During his tenure we embarked on all the necessary repairs and investments necessary to bring our facility up to spec., including a badly needed new furnace and roof as well as new windows to cut down on energy costs.

An outdoor sign was then miraculously donated to the Lodge by a brother and put out on the road to see if there may be any interest in renting our dining hall for parties and other events. I am happy to declare that the marketing of the Lodge's dining hall is a resounding success with bookings going well into the future. I truly believe that this in itself has set the Lodge back on a firm financial footing going into the future even if we still have some debt still incurred to be paid off.

This multi-year, multi-master journey in preparation for our anniversary continued with the work of Worshipful Ray Brown in 2010, leading us into our next and necessary step in insuring the Lodge a more prosperous future, to increase and improve our fundraising tactics. I am happy to report that this effort has been continued and intensified under my tenure with the capable assistance and leadership skills of Bro. Craig Burgess, who knows a thing or two about fundraising and sales (sic).

I have been further blessed this year in this task of Lodge preparation for our Bi-Centennial Celebration because of the labors of Bro. Dan Fink with his ready assistance and actually leadership in not only just about every project that came our way but also with the total restoration of our cherished Boaz and Jachin, as well as the complete refinishing of our three taper-holder columns and more. It is indeed hard not to notice the work of Bro. Fink in the Lodge.

In conclusion, I would like to announce to the brethren that I am, with deep appreciation to the brethren who helped to make it happen, handing over the Lodge and my task in this righteous endeavor to our next Master on an even firmer foundation than I found it in, with only black ink on our ledgers, solvent and ahead of schedule on our multi-year, multi-master task. I will leave you with a quote attributed to Ted Turner and also to Thomas Paine which I have kept close to me this year: "Lead, follow or get out of the way." This past year I have tried to lead as well as I could, mostly through good example even though it was certainly imperfect, I have certainly followed those who showed a better way, and have definitely gotten out of the way when that was best choice to make for the good of the Lodge.

*Fraternally,
Wor. Phil Perez*
